CONTROLLED OPEN ENROLLMENT

Florida allows each district school board and charter school to allow families from any school district in the state (whose child is not subject to a current expulsion or suspension) to enroll their child in any public or charter school, that has not reached capacity.

We are required to post our school's capacity on our website and update it every 12 weeks. Below is our student capacity as per the date posted. Please note that these numbers may fluctuate as students withdraw or new students enroll. We encourage you to apply if you are interested as we do keep waitlists, as necessary.
